

Community Services

Live, laugh, have fun & stay connected with others

Maroba provide a range of community aged care services for people living at home who want to maintain their well-being and stay connected with others.

Our community aged care services provide wellness-based programs and personal support delivered by our friendly and professional staff.

You can decide what services you need and what interests you.

Our wellness programs are designed to keep you active, maintain or improve health and facilitate social interaction. We work with you to set lifestyle goals, create personalised plans and help you achieve them.

Our Services
