

Our Suites

Maroba's facility has been designed with the latest innovative systems and environmentally friendly features. The high ceilings, air-conditioned areas and beautiful internal gardens with cascading waterfalls creates a peaceful living space for our residents to enjoy. Our facility consists of two areas, The Manor which has suites across 4 suburbs and The Lodge which has suites across two suburbs.

Our buildings have dining rooms in each suburb, activity and television rooms, a gymnasium, beautician and hair salon, movie theatre, library and outdoor gardens. All suites are equipped with en-suite facilities, electric beds, televisions, built in wardrobes and some of our suites in The Lodge open up to sunny, private and leafy courtyards. The rooms and common areas are light filled, with an abundance of fresh air.

The Maroba lifestyle is ideal for those who require support with daily living, but still like their own space.
