

8th August 2024

Dear Residents, Family and Friends,

There is great excitement in the Maroba camp today as we have just declared **Masks are off** and the coffee is flowing once again for visitors to enjoy whilst visiting all areas of Maroba.

I am delighted to report that across the region Covid cases are decreasing as are RSV and Influenza. Whilst there is still a flurry of cases across the state we are heading in the right direction in the Hunter, we urge you - **NOT to visit if you are even slightly unwell, as a negative RAT is no guarantee you do not have an infectious respiratory disease.** Stay home and seek medical advice rather than press on with a visit. Please be cautious if you have returned from holidays or have attended large public events. Please remember to maintain good hand hygiene and social distancing practices. If in doubt stay home.

There will be random RAT checking after hours and you will do well to offer your RAT for checking at reception during office hours. Let's work on the speed of TRUST and not try to enter without a fresh test. Your loved ones are the ones to suffer ...you get to go home and won't even have to isolate but it's different for communal living, everyone pays a high price.

### Current COVID guidelines at Maroba:

#### For Residents

- Residents only undergo a **Rapid Antigen Test (RAT)** when they are symptomatic and if there has been an exposure to a Covid positive person. This may escalate if other areas are impacted. **For Visitors**
- All visitors must undertake a RAT before visiting Maroba, even if you visit daily. Please write the date of the test on the RAT cartridge before taking a photo or placing it in a secure clear bag. Keep a photo of your RAT test on your phone as proof and present it to reception or a staff member after hours. Free RAT kits are still available at our reception, please feel free to take some home to test before your visit. Do not leave the kits in your car as they must be kept at a cool stable temperature to be effective.
- No restrictions on the number of visitors to Non Covid effected residents.
- There are no visiting hours however for the safety of our residents the doors are locked from **sunset until sunrise**. During these times visitors access is by pressing the call button at the entrance, so a staff member is aware of your arrival and can let you in. Dinner commences around 5.00pm and after dinner residents are usually settling in for the night. Arrangements can be made with staff if you are taking your loved one out during these hours to have easy access on your return.
- Please don't visit if unwell or Covid Positive or if you have been in contact with a Covid positive person in the last seven days. Please let us know so we can assess the risk.

#### For Staff, Volunteers, Contractors, Agency Staff & Students

- Our staff, volunteers, students and Agency Staff will continue to RAT test as per staff notices before coming onsite at Maroba.
- Volunteers, Contractors, Agency Staff, and Students will continue to **check in** using our CoolGard System.
