

19 November 2024

Dear Residents, Family and Friends,

It is hard to believe that Christmas is just around the corner, 2024 has seemingly gone very quickly! We have hung the decorations and Suburbs will start to decorate with gusto over the coming weeks, please see some information provided below regarding Christmas plans for families and friends.

In wonderful news we are currently Covid free and we will continue to work hard to reduce the risk of outbreaks in the lead up to and over Christmas. We will need to all work together and none of us should underestimate the positive impact of wearing masks, hand washing, social distancing and coughing and sneezing etiquette.

I can confirm that we are not able to accommodate additional guests for Christmas meals yet if you do wish to join your loved ones you may bring your own treats to enjoy with them keeping in mind general Food Safety protocols. Whilst we will be providing residents with their beverages of choice we are not licenced for others to BYO or consume Alcohol within our facilities. There are many areas across Maroba both inside and out where families may enjoy some get togethers. We are not intending to take bookings or reservations for any of these communal spaces. We also ask that you leave any area that you utilise clean and free of rubbish once you finish your celebrations.

Start thinking about Christmas outings and Transport requirements as it can be very difficult to book Taxis if left to the last minute.

During the period, 24<sup>th</sup> December 2024 – 1<sup>st</sup> January 2025, if you are planning to take any residents out we would appreciate if you complete the on-line Day Excursion by **15th December 2024** to advise us. <https://www.maroba.com.au/external-day-excursions-risk-assessment-form/>

All residents remaining at Maroba will be treated to a lovely festive Christmas luncheon with our staff ensuring the day will be special.

#### **Current COVID guidelines at Maroba:**

##### **For Residents**

- Residents only undergo a **Rapid Antigen Test (RAT)** when they are symptomatic and if there has been an exposure to a Covid positive person. PCR testing is being carried out if the covid Rat is negative for residents with ongoing symptoms. If an outbreak occurs then all residents in that area will undergo testing for respiratory illness.

##### **For Visitors**

- All regular visitors need only undertake a RAT test once a week unless you have been travelling, attending large events or have been exposed to any person with Covid or other Respiratory Infection. I suggest it be on your first visit of the week being Monday to Sunday.
- All other visitors, Contractors and Students must continue to undertake a RAT prior to each visit.
- Please write the date of the test on the RAT cartridge before taking a photo or placing it in a secure clear bag. Keep a photo of your RAT test on your phone as proof and present it to reception or a staff member after hours. Free RAT kits are still available at our reception, please feel free to take some home to test before your visit. Do not leave the kits in your car as they must be kept at a cool stable temperature to be effective.

- No restrictions on the number of visitors to Non Covid effected residents.
- There are no visiting hours however for the safety of our residents the doors are locked from **sunset until sunrise**. During these times visitors access is by pressing the call button at the entrance, so a staff member is aware of your arrival and can let you in...please be patient! Dinner commences around 5.00pm and after dinner residents are usually settling in for the night. Arrangements can be made with staff if you are taking your loved one out during these hours to have easy access on your return.

**For Staff, Volunteers, Contractors, Agency Staff & Students**

- Our staff, volunteers, students and Agency Staff will continue to RAT test as per staff notices before coming onsite at Maroba.
- Volunteers, Contractors, Agency Staff, and Students will continue to **check in** using our CoolGard System.
