AGEING ALLIANCE

Becoming Creative in Later Life

Creativity doesn't fade as we grow older - it grows with us.

Creativity helps us express ourselves, feel part of our communities, and share our lifetime of experiences.

This workshop develops creativity for joy, to nourish our health, and to design a path for the years ahead.

Maroba - Braye Park

58 Edith Street
Waratah 2298

Friday 13th March 2026

9.30am-12.30pm
